Benefiting

ProstAware.org

Join us for the Third Annual Blue Ties Luncheon which benefits ProstAware, a Georgia 501(c)3 organization solely dedicated to educating men at risk for prostate cancer. Most men who haven't had prostate cancer may not understand just how much they are at risk. By tapping into the fun and wonder of music and new technology, ProstAware aims to change that to raise both awareness and involvement in educating others. Blue Ties focuses on music and technology as programming topics.
